

A MISSION-LED UNIVERSITY

SERVING THE COMMUNITY IN A FAST-CHANGING LANDSCAPE

Key points

A global university thriving in and engaged with Asia offering accessible, excellent education to lifelong learners, enabling people and communities to discover, learn and create impact through education and research

A focus on shaping a **more equal, inclusive society**, through helping to redesign systems and services, creating opportunity and wellbeing, and advancing social justice

Working to ensure a sustainable future for our environment, and a more dynamic, inclusive and sustainable economy

Founded on the unceded lands of the Woi Wurrung and Boonwurrung language groups of the Eastern Kulin Nation, RMIT continues the work of **paying respect, acknowledging sovereignty, and growing deeper understanding** among different cultures.

We continue supporting access to educational opportunity for all. Students from all backgrounds and industry leaders alike are enabled to thrive through our diverse, global community and outcomes of our signature applied, impactful work.

Top-level Summary

RMIT will build on our strengths and networks to deliver excellent teaching, learning and research in a fast-changing environment. Our goal is to strengthen and renew RMIT's commitment to innovation and inclusion.
